Emne: Registration for VIII Russian-Norwegian Days of cross-border cooperation

Vedlegg: programme-eng-30.07.2018 (2).pdf

Dear friends,

We are working hard on making VIII Russian-Norwegian Days of cross-border cooperation an efficient dialogue venue. Two days of this event will enclose both – a plenary session (a discussion, mixed of short speeches and answering questions) and several more specialized meetings and workshops – devoted to the youth activity (music, Arctic cuisine, photo- and video creation etc.), local history museums discussion and small exhibitions.

Please be aware, that the dates of this event currently are 04-05 October 2018. You are welcome to become a participant of these Days, so please fill in a registration form via the following link https://docs.google.com/forms/d/e/1FAIpQLScw4d0eRJ7PQU8cJ1LH0oyA_CZrZgaEUKMoofnu0JYyKFPz-g/viewform

If you would like to be a speaker at the plenary session please note the following:

- short speech is favourable
- we kindly ask you to send your speech topic as soon as possible to set a programme.
- we kindly ask you to send thesis (talking point) beforehand (up to 26 September 2018). This is important for the better interpretation performance during the plenary session.

Also, you are welcome to take part in other venues on 05 October 2018. It would be great if young artists, photographers, filmmakers will come too. One of the key aims of this event to set up a dialogue not only on the governmental and interregional level, but also between youth of Barents/Euro-Arctic region.

In case of any questions feel free to contact me.

Updated information (programme of plenary session and other events) will be updated on our official website <https://minec.gov-murman.ru/activities/exhibition/meropriyatiyaMOi/dni-rossiysko/dni/>

Best regards,

Mr. Artem Yudin
