Hei Kate og Katrin

Her er Paulien sitt referat frå ECCG-gruppa sitt møte under ABM i Fredrikstad.

Det er visst slik at eg skal lage eit lite notat til vestlandsfylka om møte i denne gruppa sidan ikkje alle har representantar i alle NSC-gruppene. Vedlagde Rapport frå ECCG juni 2018 er eit forsøk på eit slikt mininotat. Gi melding dersom de ønskjer noko anna.

Mvh, Karen

Dear Members of the Energy and Climate Change Working group,

Please find the minutes of our meeting in Frederikstad enclosed to this mail. I also included an action list, to follow up on our activities, please have a close look at them and see whether you can take up these actions. If you have any questions or need any help, please let me know.

A more detailed programme for our next meeting in Aberdeenshire/Aberdeen on 2-4 October will follow soon.

For now I wish you all a very good summer holiday!

Kind regards,

Paulien Kooistra

Energy and Climate Change working group
