TRANSLATION GRANT FROM NORLA

NORLA hereby confirms that your application for support to the translation of:

Author: Maurseth, Benedicte
Title: Å vera ingenting (ENG/USA)
Translator: Thomson, Bruce
has been granted: NOK 24000

It will be paid to your publishing house when the above title has been published to refund part of the money you have paid to the translator.

An acknowledgement of the subvention given by NORLA should be printed in the book:
“**This translation has been published with the financial support of NORLA**”.

NORLA’s logo shall also be featured, [download here](#).

NORLA transfers the amount to your publishing house as soon as the following conditions have been fulfilled:
