Dear Sir/Madam,

I invite your consideration to AquaME, formally a vertical of the AgraME exhibition, will become the regions first standalone platform dedicated to the burgeoning aquaculture and fishing industry.

The show, which will take place on 16-18 March 2015 at the Dubai Exhibition and Convention Centre, has been officially launched in partnership with the **Ministry of Environment and Water** and **Nor-Fishing Foundation**, and will feature a dedicated conference, the regions first aquaculture awards ceremony and a dedicated business to business buyer programme.

Enclosed are the reading materials for you to review.

Kindly return the enclosed space application form in order to secure your location/participation at the event.

Looking forward to your urgent consideration and revert.

Best regards,

**16-18 March 2015 | Dubai World Trade Centre**

**Satyam Chopra**  
Sales Manager
