

Hello Matt Twony,

Thank you for your email and information about your projects. As I understood from our conversation, you are keen to apply for grants in order to finance your workshops. At the moment, we have no grant openings before April next year. I therefore advise you to look at our website www.hordaland.no and read about the [grants](#), how to apply and when you can apply.

Kind regards,

Marianne Ose Askvik

Adviser

Department of Culture & Sports

Section for Dissemination of Art & Culture
