Dear Mr Nilsen,

Call for CPMR membership fees 2015

As a member of the CPMR, please find herewith attached the call for membership fees for 2015 in accordance with the fees schedule established at our General Assembly, which was held in Umeå (Sweden) on 25 and 26 September 2014.

The adoption of this new fees schedule is recorded in the minutes of the General Assembly which will be uploaded shortly onto the CPMR website (www.crpm.org). This document will also give an exhaustive overview of the issues addressed, speeches, debates and the various decisions that were made.

We also enclose for your attention the CPMR Activity Report 2013-2014 (only by e-mail) which was presented at our last General Assembly and adopted unanimously. **We should like to take this opportunity to thank all our members for their confidence.**

In order to continue our activity and achieve the goals that our Association has established for the coming year, we rely on the subscriptions paid by our Member Regions. These contributions are our main source of funding. This is why we would be very grateful, where possible, if you could pay your fees during the first six months of 2015 at the latest.

We should like to express our grateful thanks for your on-going commitment and remain,

Yours sincerely,

Eleni MARIANO
Secretary General of the CPMR
