Dear Marianne,

Here is a revised budget for our proposed use of the grant. We have decided that it would make sense at this stage to reduce the position to a 60% position rather than a 100% position, given that we did not get the full amount we applied for, and hopefully in the future if the position is seen to add great value in the county we will be able to increase it to 100%. I hope that all is in order. If you would like further information or clarification of any changes to the budget please do not hesitate to contact me

Best wishes,  
Anthea

Dear Anthea,

I can confirm we have received your letter of acceptance. However, it is necessary that

you submit an updated financial plan. This is because you did not receive the full amount you applied for. We are awaiting the first payment until we have heard from you.

Kind regards,

**Marianne Ose Askvik**
