## **CONFIRMATION – CNSS FINAL REPORT**

We refer to correspondence between The North Sea Region Programme Secretariat and Hordaland County Council, lead partner of the project Clean North Sea Shipping, where the Secretariat asks for a confirmation from the lead First Level Controller that the amount of Euro 11.036 deducted for beneficiary 4, SSA – Shipbuilders and Shipbuilders Association, has not re-entered the final report.

As lead First Level Controller, we confirm that from the controls performed on the final report, there is no indication that the amount of Euro 11.036 deducted for beneficiary 4, SSA – Shipbuilders and Shipbuilders Association, has re-entered the final report.
