Dear all

Please see e-mail below. Interreg has now agreed to pay North Jutland the outstanding money. Hurrah 😊. I assume it is the full amount – at least I have not been told otherwise, in which case it will be 56,630 euro. A fair bit of money!!! And it just proves how important it is to check things and not give up.

Next Micro Adventure coming up tomorrow. Sleeping out in Rold Skov. Maybe you remember the walk we did when we had a meeting there? We have this time invited all 65 colleagues and NONE has accepted the invitation. They all say it sounds so great but when they have the chance to come along, they ALL have other plans. Mette and I don't mind – at least they have had the chance. Food tomorrow is large steaks, salad, baked potatoes on the fire, homemade ramson pesto, red wine and chocolate. Back at the office for 8 am 😊. I can't wait!!! 😊

Take care and hopefully see you before too long.

Best wishes

Karen

Dear Karen,

I am working with the extra payment to Region North Jutland and its sub-partners and in conjunction with this would request bank details for your organization. Please have these bank details provided on letterhead paper and signed by an authorised member of staff. I would be grateful if you could send me a scan of this document to speed up the process, but please note that we will not be able to make the payment until the original is received here at the JTS.

Please do not hesitate to contact me should you have any questions,

Best regards,

Isabella Marie Leong
