Emne: URGENT - residency documentation - application procedures, outcomes, example application form

Vedlegg: Søknadsskjema.doc;Residency open call and figures ENG.docx;Norsk_Gjesteprogrammet til Hordaland Kunstsenter.docx
Hi Tone and Anne Elisa

Here is some more documentation related to the residency program. In English (sorry) I have included information about the open call procedure of the past and how we are reintroducing it. Importantly, in order to make this possible given our capacity, we are appointing a residency administrator in a 30% position to take care of this specifically. \

Also attached is an example of the residency application form from 2012
