HKS welcomes applications in English only.

Applications are assessed and chosen by a selection committee on the basis of merit and the ability of Hordaland Art centre to supply technical and other resource requirements for specific projects.

To be eligible for the Nordic residency you are a professional working artist, curator, contemporary art or researcher from one of the Nordic countries (Sweden, Denmark, Norway, Finland, Iceland,

Greenland or the Faroe Islands) or Baltic countries (Estonia, Latvia or Lithuania), or be based professionally in one of these countries. This residency is supported by Culture Point North.

To be eligible for the International residency you are a professional working artist, curator, contemporary art or researcher from any country.

There may be additional costs for any applicable permits/visas. This cost is to be covered by the successful applicant. A letter of invitation will be sent to the applicant from Hordaland Art Centre if needed to support a visa application.
