Sammendrag:

This application regards the kick-start program of a non-profit artistic platform, *Heroine*. Its headquarters are located at Magnus Barfot 25 (Bergen) under the umbrella of Isotop artist collective. This is a platform for artistic research and experiments with an international profile. The following application concerns two events/shows along side with two publications. - These specific projects traverses design, art, architecture, theory, cinema and the wider social sphere of thematics. *Heroine* is run by Ana Rita Antonio, Sara Morgado Santos and Raquel Maia Marques.

Regarding other funding:

Heroine had previously seek for funding from Bergen Kommune and Norsk Kulturaad. The results of those applications have not been disclosed yet . Furthermore, the submitted applications had a wider focus, which concerned support for material to rebuild the physical space, rent, Identity, and a program of a total of 6 events which did only included one of the event stated on this application, *Fire Monkey*. He have not had the chance to apply for funding for *Jasmina Cibic* but we plan to do so by 1st of June. Please have a look at the detailed budget in attachment for more info regarding the sums.
