Budget Changes for Clean North Sea Shipping 2014

Please find enclosed the documents related to budget changes for Clean North Sea Shipping.

We have been given an indication that this represents a major budget change and that it will require a decision from the Steering Committee. Therefore we request an extended deadline for delivery of the final report until after the Steering Committee meeting. We would appreciate feedback on this request as soon as possible.

Regards,

Even Husby
Project manager

Clean North Sea Shipping (CNSS)
Hordaland County Council
