Exchange student at Laksevåg Upper Secondary School

Laksevåg Upper Secondary School is one of 43 public upper secondary schools in Hordaland County. All of our upper secondary schools are authorised to accept exchange students from abroad. Laksevåg Upper Secondary School is active in various international projects, and has experience in sending their own students to schools and enterprises in Europe.

All internationalization that is performed by our upper secondary schools in Hordaland County, included Laksevåg Upper Secondary School, is organized by the county administration headed by the Director of Education and Training.
