Subject: Partnership with St. David's High School

Hello Wendy and Kerry,

We are pleased to let you know that the County Executive Board has now approved the intended cooperation between St. David's and Amalie Skram videregående skole. We look forward to organising the final arrangements and getting all the details in place.

In order for our students to get funding from the Norwegian State Education Loan Fund (Lånekassen) we need to have a formalised agreement in place. Attached you will find a proposed draft of such an agreement, and we would appreciate any input or comments you might have. Text marked in yellow = questions, uncertain.

Best regards,

Berit
