skildring: What about the mentally ill?

1. Every patient shall have the right to be treated and cared for, as far as possible, in the community in which he or she lives.
  2. Where treatment takes place in a mental health facility, a patient shall have the right, whenever possible, to be treated near his or her home or the home of his or her relatives or friends and shall have the right to return to the community as soon as possible.
  3. Every patient shall have the right to treatment suited to his or her cultural background.
- maal: We want to organize a two successive day's event (Friday and Saturday) during this coming summer right in the centre of Bergen. During this event, we will talk about the project "What about the mentally ill?" and spend the rest of the time entertaining the public through our other new social project called Container. The second container can be sent again to Horn of Africa. To learn more about this project, please visit the webpage [www.grsf.no](http://www.grsf.no).

gjennomføring: Day two:

This day will be mainly dominated by:

- entertaining the public with dance, cultures and game activities.
  - Fund-raising for the project to cover costs for materials needed to run the project.
  - Display of project banners and distribution of project information brochures.
  - Awards to individuals or organizations that made significant contributions in improving mental health issues.
- samarbeid: 1-Global Relief Somali Foundation, 2-Batteriet Vest-Norge (Cathrine Waaler), 3-Bergen Kommune, 4-Universitetet i Bergen (Dr. Gaudencia Mutema), 5-Chr. Michelsen Institute CMI.
- spesifiser: Our organization needs a full budget in this year 2014 å få hvert år.
