Hello!

This is absolutely wonderful news! We are all so happy for this decision and very glad to have Jessica as our student for the entire school year.

This week is not an entirely normal school week. We are hosting a local annual conference called Felles fremtid (Mutual Future). Today, the students are doing a show with song, dance and music. I think Jessica has signed up for something.

Please check in at our web site during this week, pictures will be posted!

Have a really nice Election Day!

Med vennlig hilsen

Siren I. Larsson

**Emne:** THANK YOU!

We received this in the mail today. We cannot thank you, and your County contact, for going beyond the normal call of duty for Jessica in getting her the proper documentation to sway the appeals board into reversing their denial.

Thank you, Thank you!

Sincerely,

Douglas Bean
