Vedlegg:

Hello Kerry,

We hope to be able to sign the Partnership agreement between St. David's High School and Hordaland County Council/Amalie Skram Upper Secondary School during your visit to Bergen. Our national education authorities request a signed agreement before they approve the project and give grants to the pupils.

We will among other issues work on the partnership document during both days of the working meetings.

I am now working on a programme for your visit. I have booked rooms at the hotel *Grand Terminus* which is a hotel we often use when we have visitors. It is quite near Amalie Skram Upper secondary School and our County administration.

<http://www.grandterminus.no/>

Have a nice week-end.

Best regards,

Berit
