Emne: FW: Status update on project payments.

Dear friends,
I think the secretariat has been between the rock and a hard place on this.
Let us see how long it will now take before we receive the money that I truly believe is outstanding.
Cheers
Magne

Dear beneficiaries,

We are now happy, after a long struggle with interruption of payments, to inform you that the programme has received a reimbursement from the European Commission shortly before Christmas. This follows the application for ERDF requested at the end of October 2013.

This means that the Certifying Authority is now, once more, able to process payments to the projects.

On behalf of the Secretariat we would like to wish you all the best for 2014.

Best wishes,

Mattias Assmundson
