An aerial photograph showing a large, dark lake in the lower right. A road curves across the top of the image. A central area of land is marked with white dots and numbers: 54, 52, 50, 48, 56, 53, 51, and 49. Several houses are scattered throughout the landscape, mostly along the road and the lake's edge. The terrain is a mix of green trees and brownish, open land.
